COLLINS & RUDY LUMBER COMPANY.

Mrs. ROBERT LLOYD, formerly Miss Beag, left Saturday morning at 8 o'clock at her home in Covington to meet her son, who had just had a serious attack of the disease, having affected her heart, causing death instantly. She leaves a husband and a three-year-old child.

In early life he was a member of the Episcopalian Church, and the funeral services will be conducted by Rev. Chapin of that church at 9:30 to-morrow morning, after which his remains will be removed to the Mayville Cemetery. He was also a member of the Ammon Fire Company.

HAD THE DISEASE.

BRICE VANCE of Coveland has pulled out from a serious spell of sickness.

REV. WALDRUP will begin a protracted meeting at Old Stone Church to-night.

H. H. COX & SON are creating a new greenhouse at their garden in the Sixth Ward.

MISS L. V. DAVIS is down ready to show the latest and best in fall and early winter Miller.

THE Louisville Club is now on the homestretch and running the Washington to Belmont race for last place.

AYER'S AGUE CURE stimulates the liver and neutralizes the malarial poison in the blood. Warranted to cure.

WILLIAM AUSTIN DEAD.

WILLIAM AUSTIN, 72, died at his home in the Fifth Ward at 11:55 yesterday afternoon. He had been in poor health for several months and gradually grew weaker until his death was not at all unexpected, though somewhat sudden.

Mr. Austin was born May 7th, 1849, and was therefore almost 45 years of age.

He learned the printer's trade in his youth, and after a period of success, became a reporter for the Daily Journal in this city.

He was married December 19th, 1872, to Miss Sarah M. Ford. To them were born seven children, four of whom, with their mother, are still living.

In early life he was a member of the Episcopalian Church, and the funeral services will be conducted by Rev. Chapin of that church at 9:30 to-morrow morning, after which his remains will be removed to the Mayville Cemetery. He was also a member of the Ammon Fire Company.

THE ACCIDENT.

J. Allen Ross on a Democratic Drunk at Frankfort.

He bears his name in the middle.

Allen Ross, the famous colored Democratic orator, went to Frankfort to attend the Annual Meeting of the Commonwealth.

He drew a little more than was good for him and was locked up in the Workhouse for disorderly conduct.

He was born May 7th, 1849, and was not mischievous or his prosecutor a pernicious, incited by Right.

The officers say that he was in a condition to need a separate couch.

DEFaulter TATES SURETIES.

Prospect of the Case Against Them Being Heard Soon.

The case of the Commonwealth vs. James W. Tate's sureties came up in the Circuit Court Saturday before Judge Crittend, and was transferred to the U. S. Commissioner.

The case involves the bond of ex-state Treasurer Tate, and has been in litigation since the defalcation in 1888.

OH. NO!

There's No "Nepotism" Under This Democratic Administration.

It has been decided by the Postoffice authorities that Napoleon Carlisle shall handle the mail for the Postoffice in Corbin for the next four years.

The nomination was sent to the Senate Saturday.

This is the most conspicuous case of nepotism on record, and can hardly be taken as a typical example of what is pointed to in some of the cases of corruption that have occurred under Republican rule.

Under the old system of voting the voter could be as bad as he would, and his party could be determined. It is hard to see how any man could be elected unless he was a member of the party.

If there are other members of the family yet to be taken into the official fold they have not yet come to light.

We now have the Secretary of the Treasury, with his son Logan, running for the political office of Postmaster. All the assistants here know that the Secretary of Treasury has not been hardy in urging the claims of his brother for the position.

If there are other members of the family yet to be taken into the official fold they have not yet come to light.

This is but another instance of the beauty of having your relations in position when you want to influence.

Mr. Carlisle will make an excellent Postmaster, but it is hard to prove that he is honest.

**The Business Way!**

The business way to advertise is to take space by the year, take pains with your advertisements in making them attractive, and change them at least as often as once a month.

You may think there are seasons when you don't need to advertise.

We have never thought that time.

Use the dull seasons for looking over your stock and racking off that which is becoming out of style or un-fashional, and giving bargains.

If you have space by the year, it costs you no more, and you can make it profitable by converting unusable goods into money, and re-investing the money in those things which are stable.

**Where is That Banner Now?**

Greenberg (Ind.) Review.—During the last campaign the Democrats of this city displayed a banner in their processions bearing the inscription:

VOTE FOR CLEVELAND  
AND GET  
\$125 A BUSHEL  
FOR YOUR WHEAT.

A liberal reward will be paid for that banner at this office, and no questions asked.

THERE ARE VARIOUS OPINIONS AS TO THE PROBLEMS OF ACTION OF CONGRESS. DEMOCRATIC NEWSPAPERS SHOUT AS THOUGH THE REPEAL OF THE SHERMAN ACT WILL BE THE PANACEA FOR ALL OUR FINANCIALS. THE NEXT FEW DAYS WILL EXPLODE THEIR ERROR. WHEN CONGRESS MEETS IT WILL BE FOUND THAT THE WHOLE MONEY QUESTION HAS BEEN REOPENED, AND PAST EXPERIENCE TEACHES THAT THE ONLY TRUE THING IS A WRANGLE WHICH WILL LAST A LONG TIME AND COST BUSINESS. THE DETAILED PROGRAMME OF THE ADMINISTRATION IS NOT YET OFFICIALLY GIVEN OUT, BUT IT IS EVIDENTLY EXPECTED IN WASHINGTON THAT CONGRESS WILL MEET AND UNCONDITIONALLY REPEAL THE SILVER LAW IN A SHORT TIME. AFTER THIS IT IS STATED THAT MR. CLEVELAND HOPES CONGRESS WILL ADJOURN AND GIVE HIM A CHANCE TO LAUNCH HIS GREAT AND ORIGINAL FINANCIAL SCHEME, WHICH WILL BE VERY COMPREHENSIVE AND WILL SURPRISE THE COUNTRY. THIS SCHEME, IN WHICH THE PRESIDENT HAS HAD THE ASSISTANCE OF SOME NEW YORK FRIENDS WHO CAN FINANCE WHILE THEY FISH, IS MR. CLEVELAND'S GREATEST EFFORT SINCE HIS TARIFF MESSAGE IN 1887. BUT WITH A CONGRESS ELECTED UNDER VERY PEAKY CIRCUMSTANCES, AND FEARFULLY AND WONDERFULLY MADE UP, NO MAN CAN PREDICT THE OUTCOME. HENCE THE WANT OF CONFIDENCE WHICH HAS ALREADY COST THE COUNTRY TWO MILLION DOLLARS IN MR. CLEVELAND'S SHORT TERM.

THE SCHEME FOR CONTINENTAL COINAGE PROVIDED BY ROBERT MORRIS PROVIDED THE FOLLOWING SCALE: Ten quarters mintage one dollar, ten cents make one bit, ten bits make one penny, ten mills make one cent.

THE FIRST REGULAR HEBREW COINAGE WAS STRUCK BY SIMON MACCABEUS, B.C. 145. THESE COINS bore on one side a sheaf, the pot of oil, on the other a lily and the word in Hebrew characters, "Shalom of Israel."

IN CHINA GOLD AND SILVER ARE MERELY COMMODITIES, WHOSE PRICE IS REGULATED BY THE LAW OF SUPPLY AND DEMAND.

THE EARLIEST NEW ENGLAND SHILLINGS bore the device of a willow tree, afterwards changed to an oak tree, out of complaint to King Charles II, whose life was saved by climbing into a tree of that description. LITTLE MASSACHUSETTS CAN BORE A PINE TREE DE-VICE.

## AN UGLY STORY.

Two Banks Furnish a Big Scandal.

Louisville, Ky., Again the Scene of the Sensation.

One Banking Institution Wrecked to Benefit Another is the Charge—The German National Bank Received Good Collateral for Worthless Paper.

**Louisville, Ky., Sept. 25.—**Louisville has another banking scandal, and if rumor speaks truly it will be the ugliest and most sensational one that has ever shocked this city, which of late years has had more than its share of such scandals.

Two suits, it is said, are in course of preparation which involve the Louisville Deposit bank, which lately assigned, and the German National bank, an institution which has been in business for more than two decades.

The style of the first suit will be "The individual creditors of Moses Schwartz, president of the Deposit bank, vs. the German national bank and Moses Schwartz."

The second suit will be in the name of and for the benefit of the stockholders of the Louisville Deposit bank vs. the German national bank. Adolf Reutlinger, president, and Albert Reutlinger, cashier.

It will be filed in the United States court, and will be brought on the ground that the defendants named and Moses Schwartz, president, have a criminal conspiracy to wreck and did wreck the Louisville Deposit bank for the benefit of the German National bank. The Deposit bank was organized in April, 1891, and it is charged that the Reutlingers personally interested themselves in the bank and induced friends to subscribe for stock, giving it out that the German National bank would give business and Albert Reutlinger, who himself took \$10,000 of stock, would be made a director of the Deposit bank.

They had carried Schwartz, who was in the whisky business for years, it is charged, and knew that he was totally innocent, that in order to save itself from bankruptcy entered into a conspiracy with him to wreck the Deposit bank after investigating man to take its stock. The means by which the Deposit bank was wrecked, it is charged, were as follows: The German national bank loaned the Deposit bank a considerable amount of ready cash, and when Schwartz, who had shaved on it at the same time \$8,000 worth of Schwartz paper which it is said was worthless, in other words the German national bank received good collateral in exchange for the bad paper, which is the gist of the suit to be posted.

Mr. Albert Reutlinger denies all the allegations, and states that all his transactions with the Deposit bank were perfectly honorable.

He is, however, said, to become the Deposit bank's cashier, but was induced to remain with the German national by an increase of salary, after which he sold his stock. One of the attorneys for the plaintiffs is A. Kohn, who himself has been a big stockholder in the order of the day.

Can't see the fit.

**MILWAUKEE, Sept. 24.—**The Sovereign Grand Lodge Odd Fellows completed work and adjourned after confirming the refusal of the grand sire to furnish Archbishop Kater with a copy of the ritual. The grand sire, who had requested a copy in order that he might decide whether there was anything objectionable in it from the standpoint of the church. The Sovereign grand lodge confirms the decision on the grounds that no authority exists for revoking the secret of the order to any one not a member.

Two New Cases.

**BROOKLYN, N.Y., Sept. 25.—**Two new cases of fever were reported Sunday, Mrs. R. E. Muller and daughter, who were reported as auspicious Saturday. One was reported by Dr. R. C. Foy and the other by Dr. J. D. Muller and druggist, Charles Sullivan, Charlotte Turner, Mrs. Brock and Ward Lang Surgeon Murray reports about 180 persons at Camp Detention, exclusive of officers and help.

Irons Works Shut Down.

**JERSEY CITY, N.J., Sept. 25.—**The Cambria Iron Works closed down in nearly all the departments Saturday night, and unless more orders are soon received over 5,000 men will be out of employment. The shut-down was a discouraging effect on the men, who had just begun securing accounts for previous laborers.

Shuster Family Manual.

**COLUMBUS, Ind., Sept. 25.—**Wm. Sims, while hunting, sat his shotgun on the ground, leaning the muzzle against his body. It was discharged, tearing away his entire right side and part of his lung, and burning his coat. He died of his injuries and part of his flesh. Strange as it may seem he still lives, but can not survive.

## A CURIOUS CALCULATION.

Around the World 206 Times.

An American physician has made a curious mathematical calculation in giving the working of the human heart in miles. He shows that in a lifetime of 44 years the heart beats 2,000,000,000 times, which is a distance of 1,150,000 miles, which, at a continuous stream, would reach around the world 206 times!

Keeping in view this constant strain on the heart, it is striking to consider the amount of exercise from over-exertion, since the heart, if finally affected, refuses to perform its work and cannot continue to beat. The heart, however, does not have a weak heart, also the importance of treating that organ as soon as it is affected edition is in the slightest degree manifested.

Reader, if you have any reason whatever for fearing your heart, you should attend to it at once. Do not hesitate. Many persons who die suddenly have never suspected its presence.

Joseph Boddy, Physician, says: "I have never seen a difficulty in breathing, palpitation of the heart so intense, and my limbs so weak, that I could not walk a mile, that I could not live a week. I began using Dr. Miles' New Heart Cure, and within a few days I took altogether so intensely healthy that I could walk a mile without any exertion, and mind this remedy."
